About Gokhale Education Society

Gokhale Education Society, a leading and quality institution in India was founded by Prin. T. A. Kulkarni on 19th February 1918 and has completed 104 years of meaningful existence. It is one of the oldest and pioneering educational institutions established with the main objectives of developing quality citizens through education and training. Today the Society has more than 140 units spread over three zones Mumbai, Nashik, and Thane-Palghar catering to 1.25 lakh pupils. The Society is known for Students' Academic Excellence, Discipline, Professional Competence and Innovative Programmes with a scintillating track record of the achievements of its Students and Staff.

About College

SMRK-BK-AK Mahila Mahavidyalaya, Nashik, a proud member of Gokhale Education Society, aims at a holistic growth of the students by maintaining an active academic, sports and cultural environment. The College organises various activities for students as well as for staff of the college. The college, established on 28th June 1985, is the first institution for women's education in North Maharashtra. The mission of the college is "Empowerment of women through quality education." The college is permanently affiliated to SNDT Women's university, Mumbai and is ISO 9001:2015 certified.

Library Information

Our College Library is rich with a versatile collection of resources in print and digital form. It is well equipped with various sections such as Spacious Reading Room, Stack Room, Digital Library, Periodicals and Newspaper Corner,

various other resources and provides digital and web-based services for students & staff of the college. The total collection of library includes 38430 Books, 94 Periodicals (National and International), Audio-visual aids such as 831 CDs, Remote Access to E-databases from N-List (a product of INFLIBNET) and SNDT

Women's University, Mumbai. The library is digitally accessible through our Library Portal and all digital resources are linked through

Library webpage. Library Blog, Institutional Repository, WebOpac, Digital Library, Scan Wall, Remote access are some of the unique features of our Library.

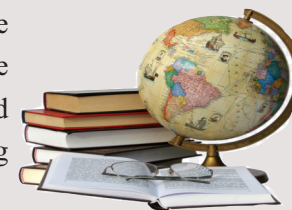

About the Webinar

On the occasion of the death Anniversary and in the loving memory of Dr. S. R. Ranganathan, (Father of Library Science), and as a part of Azadi ka Amrit Mahaotsav, our college has organised a two-day International Webinar

for the academic community. We intend to pay homage to Dr. S. R. Ranganathan and his contribution to the development of libraries in India through this webinar.

Research is considered extremely important in various fields of knowledge. The role of library in research is as significant as the role of library in other academic areas by providing valuable assistance to the academic and research community. The objective of this webinar is to explore the "Role of Library in Research" which will focus on various dimensions such as Literature search through E-resources, Impact Factor, Bibliometrics, Patents and IPR to enhance the research productivity. This webinar will help the participants in widening their research and showcasing their knowledge by way of exploring libraries and library facilities for research.

Objectives

1. To redefine the role of libraries in the modern education system.
2. To create a bond among academicians and researchers at international level.
3. To create awareness about the strategies, tools and techniques through various e-resources.
4. To probe into the field of research and enlighten on the theme of patents & IPR.
