COLLEGE PROFILE :-

Dear Friends,

Our College S.M.R.K.B.K.A.K. Mahila Mahavidyalaya, is a pioneering women's college of North Maharashtra, permanently affiliated to S.N.D.T. women's University, Mumbai. It has successfully completed 37 years of its meaningful existence with maturity, modesty and morality. It was established on 28th June 1985 with merely two-degree programmes for women and in the last twenty nine years the college has grown into a full-fledged institution running 33 educational programmes successfully, under one roof. We offer unique programmes such as Arts, Fine Arts, Commerce, Home Science, Management Science, Minimum Competency Vocational Courses, extension programmes under Distance Education, Self financing post graduate courses, Certificate & Diploma Courses all under one roof.

Our prime focus is on imbibing relevant behavioral traits & attitudes to enable students to be successful in every walk of life. We are gradually taking on the massive responsibility of being forerunners in every field and striving hard to achieve our mission "Empowerment of women through Quality Education". The college has achieved great heights of excellence in scholastic as well as in the non - scholastic domain. Our teachers, too, have made outstanding achievements in their Career by involving in research & contributing their expertise at national & international forums.

Vision of the College :

**"Upliftment of Social Status of Women
Through Quality Education"**

Mission of the College :

**"EMPOWERMENT OF WOMEN
THROUGH QUALITY EDUCATION"**

About the Seminar :-

In the year 2020, the World Health Organization (WHO) declared that COVID-19 was a pandemic. Since then, more than six million lives around the world have been lost to the disease, and daily life has been upended in countless ways. No one could ever predict such a worst phase in our life. Everyone was hit with this pandemic in one way or the other. The human life was completely changed. Routine was broken and everyone understood that this is a struggle for life. It was a major setback for the entire world. All the sectors were badly affected. New Normal period brought revolutionary changes.

Global Recovery started gradually but in a disrupted manner. There are multiple challenges. Threat of life has led to mobility restrictions in many countries and increased labor shortages. Supply disruptions still weigh on activity and are contributing to higher inflation, adding to pressures from strong demand and elevated food and energy prices.

Moreover, record debt and rising inflation constrain the ability of many countries to address disruptions. Repercussions of this situation on Indian Economy should be evaluated. On this background our college is organizing the seminar. This seminar intends to bring academicians, practitioners, industrialist and educationalist and of course students together to a common platform to interact and discuss the present requirements for the systematic economic recovery.

Objectives of the Seminar :

1. To understand the problem of disrupted global recovery
2. To evaluate implications of disrupted global recovery on Indian Economy
3. To suggest remedial measures for integrated economic recovery
4. To link academic and industrial sector for the rapid economic recovery

The Focal themes of the seminar are :

"Disrupted Global Recovery & it's Implications on Indian Economy"

- Disrupted Global Recovery
- Implications of Disrupted Global Recovery on Indian Economy
