

Institutional Best Practices

Practice -01

Title	"Rangaparsha 2021"
Objectives	1. To provide exposure to students by showcasing their works of arts. 2. To reach out to the larger audience.
Context	The Dept. of Drawing and Painting (B.V.A.) showcases the works of the students through the exhibition "Rangaparsh" annually. In the academic year 2021-2022, the exhibition adopted to the virtual mode due to the pandemic. The exhibition was broadcasted on YouTube. Forty-six students of the department displayed more than 250 artworks in the exhibition. A session by Prof. Rajendra Patil, eminent artist and a faculty member at J.J. School of Arts, Mumbai was also organised through virtual mode.
Evidence of Success	The exhibition received more than 1000 on YouTube and the session by Mr. Patil was also well received. The college provided a platform to the creative expression of the students overcoming the challenge of the pandemic and reached out to a larger audience.
Problems Encountered and Resources Required	Technical help to create the video of the exhibition.

Practice -02

Title	Online Orientation to the Students of the College for the Use of Digital Resources of the Library
Objectives	1. To create awareness among the students about the various digital resources made available by the library. 2. To diversify the use of library.
Context	The Library Committee of the college organised a orientation programme for regarding the digital resources available in the library to the students of Senior and Junior college. The activity was organised through the online mode during 7 th to 11 th December 2021 under the title, "Library in a Digital Age : How to Access Online Library". A detailed orientation regarding the various e-resources made available by the library including orientation regarding the separate library portal of the college was given by the librarian Mrs. Yamini Galapure in the programme.
Evidence of Success	During the pandemic period, when the physical access to the library faced limitation, the orientation regarding the e-resources could help students overstep it. 29 teachers and 581 students participated in the programme.
Problems Encountered and Resources Required	Internet connectivity and computer systems.
