#### Summary of One Day National Seminar Deliberations:

Faculty of Home Science in collaboration with Home Science Association Nashik (HAN) of SMRK-BK-AK Mahila Mahavidyalaya, Nashik has organized One day National Seminar on the theme, 'Execution of NEP 2020 in Higher Education' on 21st October 2023 (Saturday). Total 170 academicians and students, across six states of India (Gujarat, Maharashtra, Telangana, Punjab, Haryana and Goa) participated in this one-day National Seminar.

The Seminar was inaugurated at 11.00 am, at the hands of Chief Guest Dr. Sanjay Dhole, IQAC Co-ordinator of SPPU, Pune. and president of the function Dr. Mrs. Deepti Deshpande, Principal, Secretary, Treasurer and Director HR, Gokhale Education Society and Seminar Director.

Prof. Dr. Kavita Patil, Co-ordinator of the Seminar delivered introductory speech of the seminar and explained the concept of NEP 2020 and its implementation in Higher Education. She made a special mention that this National Seminar will enhance the knowledge of the participants across nation of its effective implementation from the academic year 2024-2025. She emphasized that this seminar will help in understanding the execution of multidisciplinary, interdisciplinary and transdisciplinary approach of the National Education Policy 2020 for the betterment of rural and urban population of India. She introduced President of the seminar Hon. Dr. Mrs. Deepti Deshpande, Principal, Secretary, Treasurer and Director HR, Gokhale Education Society and Seminar Director. She also introduced Chief Guest of inaugural function Dr. Sanjay Dhole, IQAC Co-

ordinator of SPPU, Pune. She welcomed all the resource persons of the National Seminar- Dr. Mandar Bhanushe, Head, Faculty of Science and Technology Institute of Distance and Open Learning University of Mumbai, Dr. Sanjay Dhole, IQAC Co-ordinator, Savitribai Phule Pune University, Pune and Dr. Shrihari Pingle, Zoologist, Soft Skill Trainer, assessment and Accreditation Mentor, S.N. Arts, D.J. Malpani Commerce and B.N. Sarda Science College, Sangamner, all the Principals, Vice-Principals, HOD's, Teaching Staff and Delegates attending the seminar in online and offline mode.

Dr. Sanjay Dhole addressed the participants of the seminar and mentioned that There are many verticals at UG and PG level whereas it is more difficult at the UG level. There are 6-7 verticals. The NEP 2020 is holistic in nature, which will help students in their overall development. Students have to register themselves in the ABC Id. Students will have the ABC Id registration number. All the credits earned by the students from various courses will be deposited in it like a bank. It will take some time to at least another 8 to 10 years to explore and take shape. The main difficulties will arise in the beginning years of the multidisciplinary degree when students will enter and exit the courses. Students does not know about the structure of NEP2020. Students and parents need to develop awareness regarding NEP2020. The faculties have very serious concerns about NEP2020 regarding the work & workload. The steering committee has conducted three-four meetings consecutively and trying to working out that no staff will lose their job. The detailed guidelines yet to receive form Govt. of Maharashtra. In current seminar we will have brainstorming sessions regarding actual execution of NEP2020 in higher education. In concluding words Sir, congratulated the organizers and extended his best wishes for the seminar.

Dr. Mrs. Deepti Deshpande, Principal, Secretary, Treasurer and Director HR, Gokhale Education Society and Seminar Director graced the occasion with her presidential address. She congratulated the delegates across Nation who joined through online and offline mode for their enthusiasm and overwhelming participation. She appreciated the theme selected for the seminar and explained its importance in the current situation. She gave her blessings for the success of the seminar.

Ms. Sangita Kamble, Convener of the Seminar proposed vote of thanks for the inaugural function.

#### **Session 1- NEP 2020: Roadmap for Students**

##### **Resource Person- Dr. Mandar Bhanushe**

Dr. Mandar Bhanushe was the resource person of the session-I. Mr. Sanjay Pabari, Head Resource Management introduced the resource person.

Dr. Mandar Bhanushe in his discourse emphasized on the importance of new education policy and its student's centric approach. He explained the importance of multiple entry and exit of the students, cluster colleges an Academic Bank of Credits for students and positive impact on the teachers. He elaborately mentioned the importance of approach among teachers in curricular framework, credit framework that will imbibe creativity, innovation, entrepreneurship, ethical

thinking, problem solving approach, holistic and enjoyable teaching-learning among students. Dr. Sandhya Khedekar, Principal of College of Education, Sangamner presented paper on Leveraging Artificial Intelligence for Enhanced Blended Teaching and Learning in Higher Education. She emphasized on integrating technology for innovative producing education. She mentioned about Artificial Intelligence (AI) tools to save time and energy for monotonous work and use creativity and innovation in teaching-learning process. Through her presentation she mentioned the importance of adaptation of various AI tools for innovative technologies for effective teaching. It was very informative session to all the audience. Ar. Sanjay Pabari concluded the session with question and answer asked by the participants and expressed vote of thanks for the session.

### **Session 2- NAAC and NEP 2020 Implementation**

#### **Resource Person- Dr. Sanjay Dhole**

Dr. Savita Borse, Assistant Professor, Science Dept. gave a brief introduction of the resource person Dr. Sanjay Dhole.

Dr. Sanjay Dhole briefly explained NEP 2020 and NAAC to the audience. He informed about NAAC and its changing structure after the implementation of NEP 2020. He mentioned that NAAC will play a vital role as it will have set key indicators will be required before applying for NAAC for any college. He too mentioned that only those college which have research centers will be eligible to provide honors degree. There will be only one body called NAC (National Accreditation Council). Dr. Savita Borse concluded the session with question and answer asked by the participants and expressed the vote of thanks for the session.

### **Technical Session 3- Learning Outcome Based Approach to Curriculum Planning & Development.**

#### **Resource Person- Dr. Shrihari Pingle**

Ms. Pradnya Abhyankar, Assistant Professor, Textile Science and Apparel Design gave a brief introduction of the resource person

Dr. Shrihari Pingle. In his discourse Dr, Pingle elaborated on principle and purpose of steps of curriculum design for NEP 2020. He made a special mention on the learning outcome-based approach to curriculum planning and development. He emphasized that subject objectives and outcomes should be clearly mentioned so that students can develop self-directed learning ability. He motivated academicians as well as students for creating holistic approach towards NEP 2020. It was an informative session as it mentioned the duties of teachers and learners for shaping the overall personality of students. Dr. Geeta Yadav, Assist. Prof. presented paper on नयी शिक्षा नीति २०२० :उपलब्धियाँ, सीमार्ये, संभावनाएं. After the paper presentation Ms. Pradnya Abhyankar concluded the session with question and answer asked by the participants and expressed the vote of thanks for the session.

Ms. Sangita Kamble, Seminar Convenor introduced and welcomed the dignitaries of the valedictory function. The chief guest for the valedictory function was Dr. Shrihari Pingle, Zoologist, Soft Skill Trainer, assessment and Accreditation Mentor, S.N. Arts, D.J. Malpani Commerce and B.N. Sarda Science College, Sangamner and Dr. Anjali Kulkarni, Co-ordinator of Staff Training Academy and Central Co-

ordination committee of G.E. Society, Nashik was President of Valedictory function. After the Introduction and welcome of the dignitaries Mrs. Trupti Dhoka, Assist. Prof. presented the report of the One Day National Seminar.

The chief guest Dr. Shrihari Pingle expressed his views on Implementation of National Education Policy 2020. He mentioned that we have been making many policies over the years. National Education Policy 2020 is yet another policy that has been introduced. We have been good policy makers but poor policy implementers. So, the responsibility is with us how well do we implement the policy. If we really want to see the vision of Dr. APJ Abdul Kalam coming into reality. We really need to implement the policy well so we see the Nation developing and getting developed. Dr. Pingle concluded his words by expressing best wishes to all for the best implementation of NEP 2020.

The President of the valedictory function Dr. Anjali Kulkarni, mentioned in her presidential address that the one very important characteristic feature of NEP 2020 is that the policy is publicly discussed and debated. The plus point of NEP2020 is going from bottom to the top. NEP 2020 left the responsibility of defining well roundedness with regard to students' development. She mentioned seven important points to prepare for the implementation of NEP 2020 with the participants. Madam congratulated and appreciated the organizers of the seminar for successful organization of the National Seminar. The One day National Seminar on Execution of NEP 2020 in Higher Education properly fulfilled the objectives of the seminar. She showed satisfaction about the organization of the seminar.

Mrs. Sandhya Admankar, Assistant Professor, Co-convenor of the seminar expressed vote of the thanks and concluded the seminar.

The college has extended its outreach initiatives, both academically and outside the classroom. The teachers have also achieved remarkable achievements in their careers by participating in research and offering their knowledge at National and International forums.

**Values:**  
 Upliftment of Social Status of Women Through Quality Education

**Mission:**  
 "Empowerment of Women Through Quality Education"

**About the National Seminar:**  
 The seminar is a collaborative venture of the Institute's Home Science Faculty and Home Science Association of Nashik (HAN). The National Education Policy (NEP) 2020 represents a significant reorientation in Indian education, embracing the system's inclusivity and modern-oriented approach which will meet requirements of 21<sup>st</sup> century education. NEP 2020 is India's origin, fundamental to its nation, inclusive in its approach and innovative & forward in its outcome. It has provided an opportunity to restructure Indian education in the age of post-globalization.

Although there are various issues & challenges in implementing the new policy, the proposed one day seminar will help to understand the various facets of execution of NEP 2020. The seminar will help to understand the execution of NEP 2020, its origin, fundamental to its nation, inclusive in its approach and innovative & forward in its outcome. It has provided an opportunity to restructure Indian education in the age of post-globalization.

**Objectives of the National Seminar:**

- To create awareness of execution of NEP 2020 in Higher Education.
- To explore role of NAAC in NEP 2020.
- To understand the execution of learner-centric curriculum in NEP 2020.
- To provide guidance to design Program Outcomes (POs), Course Outcomes (COs) & Program Learning Outcomes (PLOs) in accordance.

**Sub-Themes of National Seminar:**

- NEP 2020: Roadmap for India.
- NAAC and Implementation of NEP 2020.
- Learning Outcome Based Approach in Curriculum Planning & Development.

**Seminar Prizes:**

**Sub-Themes - I:** Dr. Mandar Bhanushe, Head, Faculty of Science and Technology, Institute of Distance and Open Learning, University of Mumbai.

**Sub-Themes - II:** Dr. Sanjay Dhule, IQAC Co-ordinator, Kavayatri Puli Pune University, Pune.

**Sub-Themes - III:** Dr. Shrikant Pingle, Zoologist, Soft Skills Trainer, Assessment and Accreditation Mentor, Sangamner.

**Call for the Papers:**

- Papers can be submitted on any of the above sub-themes.
- Papers should be original in nature and should contribute to the existing knowledge.
- Papers will be published in a Proceedings with ISBN.
- Papers can be submitted in English, Hindi or Marathi. It should not be more than 2500 words.
- English papers should be typed in MS Word. Stated New Roman with 12 font size, 12 line spacing and 14 Headings to bold.
