About the National Seminar:

The seminar is a collaborative venture of the institute's Home Science Faculty and Home Science Association of Nashik (HAN). The National Education Policy 2020 represents a significant transformation in Indian education, enhancing the system's inclusivity and student-centered approach which will meet requirements of 21st century education. NEP 2020 is Indian in origin, International in its outlook, Inclusive in its approach and Innovative & Impactful in its outcome. It has provided an opportunity to reconsider Indian education in the age of post-globalization.

Although there are various issues & challenges in implementing the new policy, the proposed one day seminar will help to understand the various facets of execution of NEP 2020.

The seminar will help to understand the scenario of NAAC in NEP 2020, designing and implementation of Learning Outcome based curriculum framework with multidisciplinary approach. The Learning Outcome based approach shifts the focus from rote learning to holistic development of students by setting clear and measurable objectives. The current seminar will also enlighten the students regarding the major reforms in NEP 2020 with reference to higher education.

Objectives of the National Seminar:

- To create awareness of execution of NEP 2020 in Higher Education.
- To explore role of NAAC in NEP 2020.
- To understand the execution of learner centric curriculum in NEP 2020.
- To provide guidance to design Program Outcomes (POs), Course Outcomes (COs) & Program Learning Outcomes (PLOs) in curriculum.
