Resource person	Dr. Raosaheb Ghegade
No. of Students attended the programme	60 Students & 8 Faculty members
Brief summary	<p>The workshop titled "Ideas to Impact: Building the Bridge through IPR" took place on February 6th and 8th, 2024, attracting active involvement from both students and faculty members. Mrs. Maithili Lakhe initiated the event with her introductory speech outlining its theme, recognizing contributors, and expressing gratitude. Dr. Mrs. S. M. Khedekar, Principal of the college emphasized the significant role of Intellectual Property Rights (IPR) and its relationship with Artificial Intelligence (AI).</p> <p>Dr. Raosaheb Ghegade's presentation included a practical demonstration of IPR's application using a video showcasing corn roasting equipment. He explained the basics of IPR, including patents, copyrights, and trademarks, with real-world examples. Mr. Yashwant Kelkar proposed the Vote of thanks towards the participants and dignitaries.</p> <p>On February 8th, the workshop shifted to an online mode, focusing on an interactive quiz centered around IPR. Sixty participants engaged in the quiz, applying their theoretical knowledge and fostering collaboration. The quiz served as a reinforcement of the concepts learned in the workshop.</p> <p>The workshop facilitated an exploration of IPR, bridging the gap between ideas and their impact. The attendees gained a deeper understanding of IPR's crucial role in various fields through speeches, examples, and interactive sessions.</p>
