TO WHOMEVER IT MAY CONCERN

We have organized various activities during the academic year (2018-19 to 2022-23) in collaboration with our MOU partners, demonstrating the strength of our institutional partnerships. Enclosed are copies of the MOUs, collaboration agreements, and related documents that outline the nature of these collaborations, sorted by year. However, due to the organization of activities at our institution, it was not possible to obtain the signatures of the MOU authority on some occasions. We remain committed to maintaining transparency and will ensure that all necessary signatures are obtained in future documentation.
