Brief Summary:	<p>Every year Breast Feeding Week is celebrated by Department Of Food Science and Nutrition. A Guest Lecture was Organized on 3rd August 2024 on the theme- "Importance of Breast Feeding and Breast Hygiene" by Dr. Mrs. Shradha Walvekar madam . The students of TY (Nutrition and Dietetics) organized the programme under the guidance of lecturers.</p> <p>Dr. Shradha Walvekar was present as Chief Guest. Ar. Mr Sanjay Pabari sir, Coordinator of Home Science Faculty, and Dr. Avinash Tayade sir, Coordinator of Arts Faculty graced the event. Ar. Mr Sanjay Pabari sir showered his blessings for the event.</p> <p>Dr. Mrs. Shradha Walvekar madam delivered her talk on the importance of breast feeding, benefits of breast feeding for both child and mother. And she also emphasized on the importance of early diagnosis of breast cancer and also educated audiences about the vaccinations for cervical cancers.</p> <p>Students of TY (ND) performed a skit on the theme of Importance Of Breast Feeding and also delivered small talks On Galactagogues and Weaning Foods. Students were benefited by the lecture, skit and small talks as they are going to be future mothers.</p>

	And also as the prevalence of cancers are increasing and timely diagnosis and vaccination can be of immense help for prevention.
