Brief Summary:	<p>On the occasion of National Handloom Day, Department of Textile Science and Apparel Design had organized “Kalakruti 2024” Product Making Competition Using Khadi, Khann or Irkal fabric. This competition was open for all women of Nasik city and of all age groups. Total 20 women from age group 18 to 68 years participated in this competition. The competition was of three hours where the participants had to design and make a product using khadi, khan or irkal in the college itself. After the competition the products were exhibited in the Patankar hall. Ms. Smita Vaze, Owner of “Smit Creations” and alumni of the first batch of Department of Textile Science and Apparel Design and Mrs. Maithili Lakhe, coordinator of MCVC were the judges for the competition.</p> <p>The product making competition started at Textile Science and Apparel Design laboratory at 10.00 am. Ms. Pradnya Abhyankar introduced and instructed about the rules and regulations of the competition. Three hours were given to make the product. Different products were prepared like ikat fabric pen stand, kids Nauwari saree (stitched) and blouse of khan fabric, jewellery box, frock, bags, curtains, kurtis which were ornamented by painting were prepared by the participants.</p> <p>Principal, Vice-Principal, all the head of the departments and staff members visited the competition while participants were making the products.</p> <p>The competition was followed by evaluation of products made by the participants by the judges.</p> <p>Prize distribution ceremony of the competition was organized on the same day. Two cash prizes were given. Ms. Shruti</p>

Govardhane won the first prize of Rs. 1000/- and Mrs. Yogita Zurde won second prize of Rs. 500/-. All participants were given participation certificates.

Kalakruti 2024 handloom product exhibition was organized for all. The products for sale were prepared by T.Y. students of Textile Science and Apparel Design. Products like accessories, embroidered kurtis, embroidered neck pieces, earrings, hair bows, scrunches, hand painted tote bags and block printed stoles. The exhibition cum sale received overwhelming response from Nasikites.

This activity provided a platform for the students to develop their creative and entrepreneurial skill which will help them in future endeavors.
