<b>Brief Summary</b>	<p>The Department of Textile Science and Apparel Design organized one day workshop on "Cotrieve Textile Waste into Creative Files" for the Second year students of Home Science Faculty.</p> <p>The resource person for the workshop was Ms. Ameena Peerzade, Designer and Pattern Maker at A &amp; A Venture, Nashik. Ms. Pradnya Abhyankar gave introduction about the workshop. She also introduced the resource person and Vice-Principal and HOD Textile Science and Apparel Design Prof. Dr. Kavita Patil.</p> <p>Prof. Dr. Kavita Patil presided over the workshop. She briefed about the college and the progression of the department. She mentioned the importance of organizing skill based workshops which are conducted by the department every year. She showed satisfaction for the students working at different positions in various textile industries. Mrs. Trupti Dhoka proposed vote of thanks.</p> <p>Ms. Ameena Peerzade guided students to create creative files from textile waste. She showed different ways of creating files and embellishment techniques and methods by utilizing waste fabrics and yarns.</p> <p>It was a learning activity for the students as it taught them to utilize the discarded material and creating something innovative for further use. This activity will indulge social responsibility among students.</p>
