Brief Summary:	<p>Every year the Department of Food Science & Nutrition of SMRK-BK-AK Mahila Mahavidyalaya organizes a field visit with the aim of spreading awareness about the importance of nutrition among women & children.</p> <p>This year a low cost recipe demonstration, nutrition education, activities and awareness program was conducted for Anganwadi, Pimpri tribal women and children below 5 years of age. The bare necessities required for the program were arranged by Mrs. Rekha Sonawane. The program started with the Introductory speech of Mrs. Rekha Sonawane at 11.30 am at Anganwadi centre followed by Mrs. Vrushali Salunke (TY ND Student) welcoming all participants and briefing them about the program schedule.</p>

	<p>The first part of the program was the demonstration of four different nutritious, low cost recipes focusing on protein, calcium, iron and vitamin A nutrients and also explained the importance of all these nutrients in diet to promote growth and better health. After that “Natika” was presented by third-year (N.D.) students, which highlighted the common myths around tribal communities along with simple dietary solutions.</p> <p>Student’s also conducted nutritional activities and games for all the children present for the program.</p> <p>A group discussion in the form of a questions answers session including different queries from tribal women and their practical solutions from students and teaching staff of the FSN department was held at the end of the session.</p> <p>Mrs. Rekha Sonawane and Bharti Tai (Senior Anganwadi worker) concluded the program with a vote of thanks.</p> <p>The program was attended by 50+ participants.</p>
Signature of the committee In-charge/ H.O.D.	Mrs. Meenal Zavar.
