About Nashik:

Nashik is one of the well-known cities on the map of India and is recognized as the fastest growing city in the State of Maharashtra. Nashik Road is one of the major stations of the Central Railway and there are number of convenient trains that connect Nashik to other cities. Nashik is a place of pilgrimage famous for 'Simhasth Kumbh Mela', Education, Grape City, and Floriculture and quickly transformed into the 100 Super Cities in India ; IT hub. It is also known as the wine capital of India. There are about 1800 Small Scale Industrial units & 150 Large Scale Industries. Climate at Nashik in the month of January is pleasant, requiring light woolen clothing in the morning and at night. Some of the interesting places for sightseeing around Nashik are;

- **Shirdi** : Famous temple of Shri Sai Baba, 90 kms. from Nashik
- **Trimbakeshwar** : Temple of one of the 12 Jyoturlingas of Lord Shiva, 30kms. from Nashik.
- **Saptashringi Devi Temple** : Situated on Saptashringi Hills 70kms. from Nashik.

How to reach Nashik : Nashik is accessible by car via Thane, Kasara, and Igatpuri on National Highway No. 3, which is 185 kilometers from Mumbai. Pune and Nashik are 210 kilometers apart, while Manmad and Nashik are 80 kilometers apart. From Mumbai, Thane, Pune, and other places, there are numerous state-owned and commercial bus services that go to Nashik.

COLLEGE PROFILE :

Dear Friends,

S.M.R.K.B.K.A.K. Mahila Mahavidyalaya is a pioneering women's college of North Maharashtra, permanently affiliated to S.N.D.T. Women's University, Mumbai. It has successfully completed 40 years of its meaningful existence with maturity, modesty and morality. It was established on 28th June 1985 with merely two-degree programmes for women and in the last three decades the college has grown into a full-fledged institution running 34 educational programmes successfully, under one roof. We offer unique programmes in the faculties of Arts, Fine Arts, Commerce, Home Science, Management Science, Minimum Competency Vocational Courses, Self financing post graduate courses, Research Centre ,Certificate & Diploma Courses all under one roof.

Our prime focus is on imbibing relevant behavioural traits & attitudes to enable students to be successful in every walk of life. We are gradually taking on the massive responsibility of being forerunners in every field and striving hard to achieve our mission "Empowerment of Women through Quality Education". The college has achieved great heights of excellence in scholastic as well as in the non - scholastic domain. Our teachers, too, have made outstanding achievements in their careers by involving in research and contributing their expertise at national & international forums.

Vision of the College :
**"Upliftment of the Social Status of Women
Through Quality Education"**

Mission of the College :
"Empowerment of Women Through Quality Education"

About the Seminar

In today's era of rapid digital transformation, the world is more connected than ever before. From smartphones and smart homes to online banking and global business networks, digital connectivity has become the backbone of modern life. However, this growing interconnectivity also brings significant challenges in ensuring data privacy, safeguarding information systems, and protecting individuals and organizations from cyber threats.

The seminar on "Cyber Security : Safeguarding the Digital World" aims to create awareness about the importance of cyber safety and resilience in an increasingly networked environment. It provides a platform for students, educators, and professionals to explore the latest trends, challenges, and innovations in the field of cyber security.

Through insightful discussions, expert talks, and knowledge sharing, this seminar seeks to strengthen understanding of how we can collectively build a secure digital ecosystem—one that balances connectivity with security, innovation with responsibility, and progress with protection.

The seminar on "Cyber Security: Safeguarding the Digital World" aims to promote awareness and understanding of the challenges, innovations, and preventive measures in the field of cyber security. It provides a platform for participants to explore emerging trends, share insights, and discuss strategies to create a safer and more resilient digital environment.

Objectives of the Seminar:

1. To create awareness about the growing cyber threats and prevention.
2. To explore emerging technologies and innovations such as Artificial Intelligence, Machine Learning, and Quantum Computing in strengthening cyber security measures.
3. To understand data protection and privacy frameworks by discussing ethical practices, cyber security laws, and global standards for responsible digital usage.
4. To encourage capacity building and collaboration among students, educators, and professionals for developing a secure and resilient digital ecosystem.

The Focal themes of the seminar are:
"Cyber Security : Safeguarding the Digital World"

Sub- themes:

1. Cyber Security in Various Sectors
2. Data Protection, Privacy and Governance

3. Cyber Threats and Digital Risk Management
4. Future of Digital World
5. Future Trends and Global Collaboration in Cyber Security
6. Artificial Intelligence and Machine Learning in Cyber Defense
7. Cyber Awareness and Digital Ethics
8. Any other topic related to theme
