Brief Summary:	<p>ICT Awareness Week was conducted by the Internal Quality Assurance Cell, Staff Welfare Academy, and Department of Computer from 16/02/2026 to 21/02/2026, at Patankar hall. The purpose of this technology-friendly event was to enhance staff's technological proficiency.</p> <p>On the initial day of this week-long event, Principal Dr. Mrs. Sandhya Khedekar commended the organizing team's efforts. She emphasized the significance of technical expertise and knowledge in the digital realm. Our teaching and non-teaching staff must also be familiar with these ICT skills.</p> <p>Training was provided by the resource persons. Mrs. Manisha Joshi, Mrs. Hema Deshmukh, and Mr. Yashwant Kelkar offered their expertise in technical skills in the effective manner. They instructed teaching and non teaching staff members on the fundamental operation of the smart screen. Everyone had the chance to learn through practical experience. Techniques for video recording, utilizing a camera stand and a connected microphone, were also taught.</p> <p>This activity was welcomed by teaching and non teaching staff members. They expressed satisfaction and enjoyed the experience of learning. On the last day Staff Secretary Dr. Satish Dhanawade proposed vote of thanks.</p>
