Respected Sir/Madam

As you are well aware about Gharkul Parivar Sanstha, Pimpalgaon Bahula Nashik. We have long association with your esteem institution. Last year Gharkul has successfully organized a residential camp for girl students from your college. The camp was very successful in terms of achieving its very objective of sensitization of young students. This was possible due to the support extended by you, by deputing sensible students for the camp. We are very much inspired by the enthusiasm shown by the students, thus our management has taken a decision to continue this activity as a regular feature of Gharkul. Hence this year also we are planning a residential camp for girl students from 26,27 & 28 January 2024.

I hereby request to depute minimum 20 to 25 students for the camp. In order to do smooth planning, it is appreciable if we get the list of the selected students latest by January 2nd 2024.

The camp has no entry fee. Looking forward for your kind cooperation.
